

**Business Law: Connecting the Threads II CLE  
Panel 7 (Padfield)**

1. This lecture centers around Adam Winkler's book \_\_\_\_\_.
2. How many traditional theories of corporate personhood did Professor Padfield go over?
3. What are those three traditional theories of corporate personhood?
4. The ideal that corporations are merely an association of individuals, and that those individuals should not lose their rights simply because they are acting through a corporate form is best associated with what view of corporate personhood?
5. True or False: Professor Padfield agrees with the author's use of "piercing the corporate veil" when describing theories of corporate personhood?
6. True or False: According to Professor Padfield the Dartmouth College opinion best supports the aggregate view of corporate rights?
7. True or False: According to Professor Padfield what people think corporations are is driving decision making regarding corporation's rights?
8. As of the time of this CLE, how many times had Masterpiece Cakeshop been cited?
9. What SCOTUS opinion dissent presciently stated: "The structural barriers of corporate law give me pause about whether the plaintiffs can have their corporate veil and pierce it to?"
10. True or False: the decision in Masterpiece Cakeshop directly addressed the issue of corporate personhood?
11. Professor Kuney believes we got all of our ideas regarding corporate personhood from the periods of \_\_\_\_\_ & \_\_\_\_\_.
12. Finish the following quote: "Use personhood for \_\_\_\_\_ purposes."
13. What are two of the three cases cited most often throughout the video?
